
Bloody Walls: Hardcore X2 Download] [hack]

Download ->>> <https://gph.to/2Kxeo1u>

About This Content

This add-on does have NPC's, "find an item" tasks and inventory management.

All you have are some bottles of antidote and some entry-level weapon sets you can choose from. You will confront some serious undead forces. Each level is a battle with a mini-boss and his minions.

The DLC contains:

- 5 levels (DLC - "Hardcore");
- + 5 levels
